

Dear Innovation Community,

I hope you all enjoyed the break and were able to spend quality time with your families and friends. Our cultural fair was a hit prior to the break, as students enjoyed food from African and Middle Eastern countries, made pita bread to enjoy with hummus, played mancala or soccer with their friends, and enjoyed African drummers in our SkyHawk arena. Please email me if you have any ideas for our next cultural event, thank you!

As we enter the last grading period before the end of the year, please review your child's grades when they are emailed home this week. I always like to coach students to finish strong, now is the time to make a final push to improve!

Thank you for partnering with us to keep all students safe.
