Good Evening, Innovation Families,

I hope you were able to stay cool this weekend! With more hot weather in the forecast this week, we will continue to have students indoors for PE as we did on Friday. Please remind your students to drink plenty of water. Our water fountains recently had the filters replaced and are working great.

What an amazing Hispanic Heritage cultural fair on Thursday! Thank you to all the students and parents who helped make it a special experience for our campus. It was also great to see former iMiddle students perform and support the different rooms and activities.

iMiddle Theater Company Update: Beetlejuice Jr.

This past week we posted our cast list for our show! Everyone who has come to auditions and has expressed interest in theater has a spot. For anyone in the future who is interested in joining or supporting, please have them come talk to Mr. Jason in room 401. For the upcoming week we will be working on the stage for our opening scene through scene 2 of Beetlejuice Jr. The theater tech crew has been working away at creating sets and props.

- Reminder: cast and crew meet every Monday and Friday from 2:20 to 3:30 pm

Request to Support Our Students
Are you interested in speaking with our students about your career or possibly serving as a mentor to one of our students? If so, please fill out this form. We are building a database of professionals who are interested in participating in career-focused events and supporting our curriculum both this year and in the future. Ideally we will be able to bring on everyone, but please note that submitting your information does not guarantee that you will be selected; we are looking for a variety of careers and opportunities based on our students' needs and programming. Thank you for your interest in supporting our students
